It's a game of chance where a live dealer needs to place a card face up. The player can bet on two piles: Bahar (outside) or Andar (inside). This game comes from Bangalore, and currently, it's one of the most popular games in Indian casinos.

It's another Indian card game, extremely popular among gamblers in this country. In this card-based game, you need to wager on the next card from the pack (over or under 7). An ultimate number of users can be engaged in this game simultaneously.
